

A Registration Guide for Families

Step 1:

Visit the website <http://bringingup.com>. Click on the “Sign Up” box in the top right corner.

Step 2:

Fill in the information requested for registration. If a parent feels uncomfortable listing their child’s full name, they can list initials or first names only. It is important to be sure to select the correct agency/program name from the drop down menu in the “school” field!

This page will ask the participant for the following information:

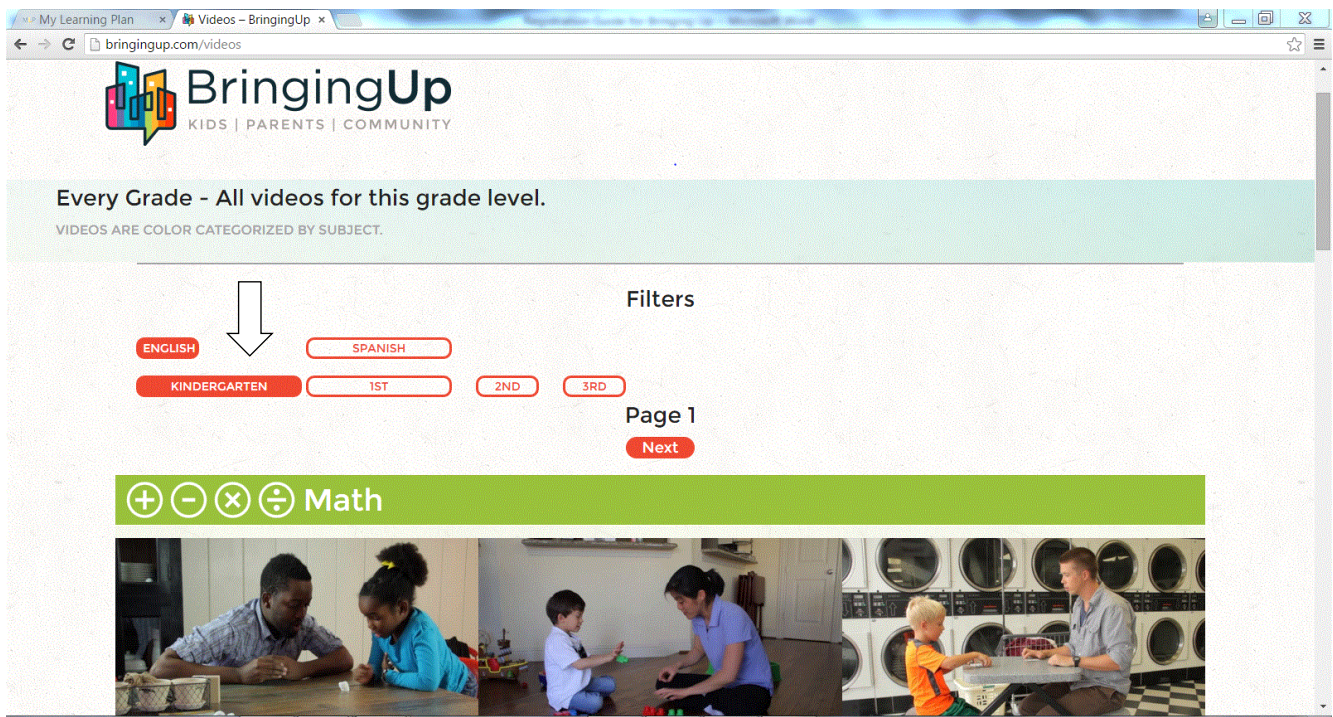

- Name and Number of Children
- Relationship to Children (Parent, Caregiver, Teacher, Administrator, Guardian)
- Email Address and/or phone number (needed to receive messages)
- School District (choose Pennsylvania Family Literacy)
- School (FL Programs are listed in drop-down menu – important to select the correct agency!)
- Password

Step 3:

Emails or text messages should begin arriving the following week. Three messages are sent each week, and they are all in one content strand related to a skill or learning strategy based on grade level. Participants can also browse the library by logging in, and then can select videos based on grade level, subject, or skill. A chart of these strands, showing grade levels and common core learning standards, is available on our Family Literacy Resource website:

Step 4: Have fun learning and “bringing up” important questions with your school age child! 😊
